Approved Electives

Any course in the current academic catalog. Excess credits from other requirements may be moved to this requirement with the dean's approval.

*The majority of courses are offered in all semesters, so students can begin throughout the academic year.

**Recommended for students who are new to college expectations and skills. Otherwise, any elective will suffice.

***REACH Act course required for all South Carolina baccalaureate degrees as of Fall 2025. Students who plan to transfer to a four-year program at a public institution in South Carolina must fulfill the REACH Act requirement at the transfer institution.

The above courses are a small sampling of courses that can fulfill the requirements of the AA degree. It is **strongly recommend** that you work with your faculty advisor beginning in your third semester.

It is recommended that students contact the four-year college or institution they are considering transferring to during their third semester to verify any program-specific requirements for languages and technology coursework.
