

2018-2019 TTC Catalog

MED 152 Medical Assisting Clinical II

Lec: 0.5 Lab: 10.5 Credit: 4.0

This course provides a continuation of practical application of administrative and clinical skills in a physician's office or ambulatory setting, allowing students to build on knowledge and skills and to apply them in a setting different from that of their previous clinical experience. This is a non-paid practicum experience.
